

Alcohol is prohibited from being brought on to the Indiana State Fairgrounds property unless it was purchased from the Indiana State Fairgrounds. All alcohol plans must be coordinated through the ISFC Alcohol Beverage Management.

The ISFC holds a 3-way alcohol permit with the State of Indiana. Pursuant to this permit, section IC 7.1-5-8-5 states, "it is against the law for a person, for the person's own use, to knowingly carry on, convey to, or consume on or about the licensed premises of a lessor (ISFC), an alcoholic beverage that was not then and there purchased from that lessor (ISFC)."

An on duty Excise Officer of the Alcohol and Tobacco Commission or any other duly qualified law enforcement officer of federal, state, and local governments may, at no cost, enter, inspect, and search the buildings and grounds at the Indiana State Fairgrounds without a warrant or other process to determine compliance with the provisions of the Indiana alcoholic beverage laws and administrative rules.

All trucks must be parked in the 38<sup>th</sup> Street parking lot once the trailers have been dropped. Any trucks parked under trailers or on the fairgrounds will be subject to towing without warning. No announcements will be made prior to trucks being removed.
